

For pools of 2, 3, 4 or 5 players, each player will compete against every player in the pool. Finishing order will be determined by the most wins. In the event that players are tied in wins, points will be used as the tie-breaker. Points are awarded for wins only, based on the highest score achieved in the match, as follows:
 ippon = 10 points • waza-ari = 7 points • yuko = 5 points • decision = 1 point
