For pools of 3 players, each player will compete against the other two players in the pool. Finishing order will be determined by the most wins. In the event that players are tied in wins, the winner of the head-to-head match will be the winner. Points can also be used as the tie-breaker. *Points are awarded to the winner only, based on the highest score achieved in the match*, as follows:

 ippon = 10 points • waza-ari = 7 points • yuko = 5 points • decision = 1 point

If all 3 players are tied in wins and points at the end of round 2, players may play round robin again, at discretion of tournament director. *Consult tournament director first!*
